

FRONTLINE FREESPEECH

DEFENDING THINKING, ACTING, AND SPEAKING FREELY

Wednesday 24th September 2014
Business Management Academy,
Bangalore

Index on Censorship in association with The Digital Empowerment Foundation, India, invite you to a workshop to launch Frontline Freespeech, a pilot project seeking to amplify the voice of individuals under pressure.

This workshop will bring together grassroots activists alongside leading free expression campaigners to share their recent experiences of censorship, to record and map current censorship challenges and to build impactful free speech networks in India.

A wide audience are expected to attend the workshop: campaigners, community leaders, network co-ordinators, human rights defenders, journalists, bloggers, artists, scholars and representatives of minority groups facing free expression challenges alongside key human rights organisations and independent media.

To RSVP for this workshop please email Avesta Choudhary, avesta@defindia.net, 011-26532786/87

Registration will close on Wednesday 17 September 2014

Index on Censorship is an international organisation that promotes and defends the right to freedom of expression using a unique combination of journalism, campaigning and advocacy.

Digital Empowerment Foundation is a non-profit organisation seeking solutions to bridge the digital divide so that grassroots knowledge reaches the economic prosperity and vice versa.
